

FISH and EGG Listing
DECEMBER 2009

A.K.A. Fish and Egg Listing Guidelines

Fish and egg listings are due on the 20th of the month before publication by e-mail to: FEL@AKA.ORG, or mail to: Mathew Goo, 375 Halaki St, Honolulu, HI 96821-2101.

Postage must be added to all orders. Use the shipping rates described in the seller's listing, or contact the seller in advance to agree on the amount of postage to include with your order.

Ads are limited to killifish, killifish eggs, spawning media, plants, food cultures and killifish-related items. All fish are sold by pairs and all eggs are sold per dozen (12), unless otherwise noted. Week's spawn (WS) means an undetermined number of eggs laid usually into peat over a period of at least one week. Please return boxes promptly unless noted. Live Delivery is **GUARANTEED** during the months of April through October. Genus and species in italics conform with KMI 4 (or descriptions published thereafter), and may have been edited to standardize these listings.

You must be a member to list in the F&EL. Adherence to the COE is mandatory. The COE can be found in the Roster and on the AKA Website.
